WORK EXPERIENCE

Control Room Operator

Silver Security Group - Heidelberg

May 2025 - Present

- Monitor and operate security systems, including CCTV and alarm systems, to ensure 24/7 surveillance of client sites.
- Logged vehicle entries, patrols, and incidents in the Occurrence Book.
- Responded to alarms, coordinated with guards, and escalated issues when needed.
- Answered client calls to assist with new service inquiries and schedule technical appointments.
- Completed detailed shift handovers and maintained accurate records.

Butcher

Morgan Beef - Springs

Feb 2024 - July 2024

- Carefully deboned meat, ensuring minimal waste while maintaining product quality and hygiene standards.
- Packed processed meat systematically onto pallets, following company guidelines for weight distribution.
- Accurately weighed and labeled each pallet of meat to ensure proper inventory tracking.
- Cleaned meat crates thoroughly, removing residual fat and waste to maintain cleanliness in the work environment.

Web Developer

Green Bear Trading & Projects - Nigel

Sep 2022 - Nov 2023

- Designed and maintained business websites.
- Ensured that there's accurate documentation and record-keeping.
- Provided administrative support, including data entry and report generation
